Dear Mr. Ellison:

We are writing to request information regarding your work with President Trump. On September 2, 2026, the House Committee on Veteran's Affairs held a hearing titled, "Beyond Go-Live: VA Electronic Health Record Modernization Status Update," which raised questions regarding the $17 billion contract extension Oracle received to continue deploying the electronic health records system modernization at the VA. Considering Mr. Ellison's relationship with President Trump and recent reports indicating financial entanglements with the President, the Committee has substantial concern that Ellison's engagements with the White House and the VA had an influence on decisions regarding the extension of the EHRM contract, and other contracts with the federal government that include work performed at or involving VA.

Pursuant to Rule X of the House of Representatives, the Committee on Veteran's Affairs has broad jurisdiction and general oversight authorities related to the VA. Accordingly, to assist with the Committee's oversight, please produce the following information as soon as possible but no later than December 4, 2026:

1. A list of all contributions made by Mr. Ellison or his family to support the re-election of President Trump in 2024, including contributions to nonprofit organizations that supported President Trump's re-election;

2. A list of all contributions made by Mr. Ellison or his family to organizations or projects for which President Trump or individuals working at his direction, including Meredith O'Rourke or Abby Mathis, have solicited donations since the re-election of President Trump, including the Trump-Vance Inaugural Committee, the Donald J. Trump Presidential Library, the White House ballroom, Freedom 250, the Kennedy Center, the National Garden of American Heroes, the golf course at East Potomac Park, the United States Triumphal Arch, and other Trump-aligned nonprofit or political organizations. The list should include the amount, date, and recipient of the contributions;

3. All documents and communications referring or relating to business dealings between Mr. Ellison and President Trump or members of his family; and

4. All communications, including electronic communications, since January 20, 2025, between Mr. Ellison and anyone in the Department of Veterans Affairs or the White House, including President Trump. In the case of oral communications, provide all summaries or notes of the communication. If no summary or notes exist, provide the date, time, type of communication (such as telephonic, virtual, or in-person), and location if the communication was in-person.

Please produce the requested materials on a rolling basis, with full production no later than 5:00 p.m., EST on **December 4, 2026**, so that they can be fully reviewed prior to Mr. Ellison's testimony before the Committee.

Thank you for your attention to this request. Please send all official correspondence and information related to this request to HVAC.Clerk@mail.house.gov. I look forward to your response.

Sincerely,

Maxine Dexter, M.D.
