The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Maywood Park Campus Renovations in Fiscal Year 2027. The entity to receive funding for this project is Mt Hood Community College, located at 26000 SE Stark St. Gresham, OR 97030. The funding would be used to support critical renovations to Mt. Hood Community College's Maywood Park Campus. The project is an appropriate use of taxpayer funds because funds will rehabilitate an existing building that is used as a vital community education and civic facility in East Multnomah County. The Maywood Park Campus serves low and moderate income residents through English as a Second Language (ESL), Adult Basic Skills, and GED instruction. Improvements to this facility will enhance access to education, workforce preparation, and early childhood services for families who rely on these resources to achieve economic stability.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Maxine Dexter'.
